PRODUCTION WEEK IS: _____

Many cast members will need to find some of their own costume pieces. You will be given costume ideas early in the rehearsal process.

If I am awarded a part in the Broadway Revue show, I understand the following:

- Rehearsals will be on Saturdays (usually mornings) and Sundays (afternoons) and the occasional Friday after school if needed.
- If I do not attend rehearsals regularly my part may be given to another actor
- The week of production involves two dress rehearsals that are MANDATORY for all performers. I will clear my schedule to make sure I can attend all rehearsals and performances. Those dates are always the week after Thanksgiving.
- There is a \$10 script fee to be paid at the first rehearsal. Families with multiple cast members can share one script. Your script is yours to keep.
- There is a cast t-shirt that all performers wear for the finale and curtain call. The cost is \$20 (includes tax). That is payable at anytime, all money must be collected no later than November 15th.
